SIZE CHART

Frame size	Rider height (cm)	Rider height (ft/in)
45	145 to 160 cm	4'9" to 5'3"
50	155 to 175 cm	5'1" to 5'9"
55	170 to 190 cm	5'7" to 6'3"
60*	Over 185 cm	Over 6'1"

*Size 60 comes with a straight (non step-through) frame. Where ranges overlap, we match you to the best fit.

Helmets are included.

A helmet comes with every bike, but we encourage you to bring your own for the best fit.

The bike model may be replaced with a similar one if needed.
